 - Integrated Firebase Firestore for real-time database operations.
-

SKILLS

Languages: C++, Python, Java, JavaScript, PHP

Technologies & Tools: React.js, Node.js, HTML, CSS, Tailwind CSS, Git, Amazon Web Services (AWS), SQL, SQLite, Firebase, Arduino, Arduino IOT Cloud, OpenCV, Tensorflow, Linux Scripting, Figma, Networking (CISCO), Vite

AWARDS & CERTIFICATES

Certificates:

- IT Specialist - Python
- IT -Specialist - Java
- AWS Academy Graduate - AWS
- Introduction to Cybersecurity
- CCNA: Introduction to Networks
- CCNA: Switching, Routing and Wireless Essentials
- CCNA: Enterprise Networking, Security, and Automation

Scholarships:

- FEU Tech Elite Scholarship
- CHED STUFAPS Scholarship

Awards:

- Top Performing Student AY 2021-2022 - Overall Top 11 in Computer Engineering
- Top Performing Student AY 2023-2024 - Overall Top 2 in Computer Engineering
- CPE Challenge 2023 Java Programming Competition Champion
- MRSP Regional IOT Skills Competition Champion
- Top 5 Finalist Software Solutions: Synergy Hackathon
